10_SPECIFIC_INFORMATION_NEEDED_ :I would like to know if the following
companies are reregistering for the manufacture of OBPA for any of the proucts
for which they are currently registered that have OBPA as an acitve
ingredient.

Rohm and Haas Company (now owned by Dow Chemical0
Akcros Cehmicals Inc.
Winpeace International, LTD
Mytech, Inc.
Troy Chemical Corp.
11_FEE_ :Up to $25, Required
12_FEE_WAIVER:Yes
13_FeeWaiver_text:I believe that based on information I have gathered that
only one of the five current registrants will pursue reregistration for the
manufacture and sale of OBPA.  If this occurs that company will have a
monopoly for OBPA products.  Furhter to my knowledge there are currently no
available substitutes with the features of OBPA.  Should this occur my
manufacturing process of swimming pool liners may be jeopardized.  The public
needs to be aware of this situation.
